WELCOME ABOARD

# A thoughtful process. *A distinctive result.*

Thank you for choosing Ares. I'm Lee, your designer, developer and single point of contact. This guide walks you through what happens next, what I'll need from you, and how we'll work together from kickoff to launch.

> Work begins once the agreement is signed by both of us and the initial deposit is received. Your project schedule starts from that date.

THE PROCESS

# From first conversation to a *confident launch.*

Your Statement of Work sets the exact dates. Here's the shape of it.

WEEK 1

## Discovery & direction

A kickoff call to refine goals, audience, pages and priorities. I confirm the content plan and what I'll need from you.

WEEKS 2–3

## Design

I share a design direction for your key pages. You send one consolidated round of feedback; we refine together.

WEEKS 3–5

## Build

I develop the site on a private preview link, connecting forms, analytics and any agreed integrations.

WEEK 6

## Review & refinement

We walk through every page and key user journey. Two revision rounds are included at each review stage.

LAUNCH

## Approval, payment & go-live

After your written approval and the final payment, I launch the site and hand over access, files and a short walkthrough.

ONGOING

## Support & visibility

Any maintenance, SEO or marketing in your Statement of Work begins here, with regular reporting.

YOUR PART

# A little preparation *goes a long way.*

01

### YOUR BRIEF

Short answers are fine. We'll go deeper at kickoff.

- [ ] What your business does and who your ideal customer is
- [ ] What visitors should do: call, book, buy or enquire
- [ ] The pages and features that matter most
- [ ] What works and doesn't on your current site
- [ ] Two or three sites you admire, and why

02

### YOUR MATERIALS

I'll send a private upload link for files.

- [ ] Logo files, brand colors and fonts
- [ ] Page copy, services and contact details
- [ ] Photos you own or have licensed
- [ ] Testimonials you have permission to use
- [ ] Domain and hosting account names

> **Keep your accounts secure.** Never email passwords. For hosting, domain or analytics access, add me as a user from your account, or share through a password manager. I'll walk you through it.

GOOD TO KNOW

# Clear communication, *no surprises.*

—

### COMMUNICATION

Email is home base. Keep feedback in one thread and I'll reply within one business day, Monday to Friday. Calls are scheduled at each milestone.

—

### FEEDBACK

Send one combined list per round from your decision-maker. Screenshots with notes are perfect.

—

### PAYMENTS

50% deposit to begin, 50% on completion before launch. Invoices are due within 14 days.

—

### CHANGES

New ideas are welcome. Anything outside the agreed scope gets a quick written quote before I start.

## YOUR NEXT STEPS

| | |
|---|---|
| 1 · Sign the agreement | Sent separately by email |
| 2 · Pay the deposit | Invoice sent with the agreement |
| 3 · Send your brief and materials | Before kickoff |
| 4 · Kickoff call | Date |

I'm looking forward to building something that works hard for your business. — **Lee**
